

## PROJECT

1200 kits to thank Volunteers on Volunteer week.

## TARGET AUDIENCE

3000 Volunteers at a major hospital network.

## SOLUTION PROVIDED

LIZard created and fulfilled several items and then sent all of the individual boxes to each volunteer's home during Volunteer week. The kits included a vintage lunch box, a pack of cookies, a notebook and pen and a candle. The Director of Volunteer services had this to say:

*"I wanted to share with you that the gift boxes have been a HUGE hit with our volunteers!!! They absolutely love them! Thank you so much for making our vision come to life and for helping us make the volunteers feel as special as we think they are! You continue to amaze me with what you can do!"*
