

## Entry Level Embroidery Machine Operator

### **JOB DESCRIPTION:**

- We are searching for an Industrial Embroidery Machine Operator to join our company. The Embroidery Machine Operator's responsibilities include setting up embroidery machines, selecting pertinent tools and materials, troubleshooting equipment, embroidering logo's on the garments and ensuring that all projects are completed to the clients' expectations.
- To be successful as an Embroidery Machine Operator, you should have a good eye for detail and the ability to keep track of multiple work orders.
- No Experience is necessary – We can train you but the skills below will ensure success in this position.

### **SKILLS/RESPONSIBILITIES:**

- Must be very conscientious about accuracy.
- Must be able to work 8+ hours on your feet with some lifting (up to 40lb boxes)
- Consistent attendance is a necessity.
- Ability to work in a fast-paced environment
- Selecting the thread colors, garment, hoops, and designs appropriate to each project
- Setting up machines and supervising the embroidery process
- Performing regular machine and inventory inspections and reporting any issues or reordering stock as required
- Providing suggestions regarding the design, placement, and thread selection
- MUST have a positive attitude and be a team player. Willing to offer help wherever and whenever needed

Please send your resume to [info@lizardap.com](mailto:info@lizardap.com)
