

Experienced Embroidery Machine Operator

JOB DESCRIPTION:

- We are searching for an experienced Industrial Embroidery Machine Operator to join our company. The Embroidery Machine Operator's responsibilities include setting up embroidery machines, selecting pertinent tools and materials, troubleshooting equipment, embroidering logo's on the garments and ensuring that all projects are completed to the clients' expectations. The machines we currently use are Barudan and Tajima.
- To be successful as an Embroidery Machine Operator, you should have a good eye for detail and the ability to keep track of multiple work orders.
- Pay will be negotiated based on Experience

SKILLS/RESPONSIBILITIES:

- Must be very conscientious about accuracy.
- Must be able to work 8+ hours on your feet with some lifting (up to 40lb boxes)
- Consistent attendance is a necessity.
- Ability to work in a fast-paced environment
- Selecting the thread colors, garment, hoops, and designs appropriate to each project
- Setting up machines and supervising the embroidery process
- Performing regular machine and inventory inspections and reporting any issues or reordering stock as required
- Providing suggestions regarding the design, placement, and thread selection
- MUST have a positive attitude and be a team player. Willing to offer help wherever and whenever needed and to train new embroiderers on how to use and maintain the machines as needed.

Please send your resume to info@lizardap.com
